FIREWARD'S REPORT

The Firewards are pleased to report no serious fires the past year.

The Clerk of the Fitzwilliam Depot Fire Department reports:

18 Chimney fires
1 Brush fire
1 Building fire, (small damage covered by insurance)

The Clerk of the Fitzwilliam Village Company reports:

9 Chimney fires
4 Brush fires
4 Town dump fires
1 Building fire, (small damage covered by insurance)

This building was a shop and garage at the farm of George H. Fairbanks, in west part of Town. This fire might have been serious had it not been for the very quick action of near neighbors and laborers working nearby, plus the quick response of both fire companies.

The Firewards recommend that everyone who can, should have an extinguisher in their home, as an added fire protection.

The fire companies of either Village will glady re-charge extinguishers free of charge at any time.

The Firewards note with pleasure of the two very efficient fire companies in Town with two motor driven fire pumps in very good condition with booster tanks and tools for forest fires.

Respectfully submitted,
CLARENCE M. DAMON, Chief,
HARRY E. FLAGG, Clerk,
OSCAR G. YON,
Firewards of Fitzwilliam.

Having examined the above report of the Treasurer of the Town Library, I find the same correctly cast and properly vouched.

Respectfully submitted,
FRANCES F. CHASE,
Auditor.

Several added attractions have awakened new interests in the Library this year. Mr. and Mrs. Dickinson loaned us the large engraving of "Coronation of Her Most Gracious Majesty Queen Victoria" by Sir George Hayter, M. A. S. L. During Book Week we exhibited a house made of juvenile book jackets. This interested the children and we gained several new juvenile readers. The "Do You Know" book test used in connection with the Junior High School students has stimulated their interest in reading more worthwhile books. The Mount Vernon cut-out on exhibition in February attracts adults as well as the children.

Each year more people are taking advantage of the opportunity to borrow books from the N. H. State Library. Several of the teachers have found this service quite worthwhile. I attended the State Library Association meeting at New London in September. Mrs. West and I have enjoyed the district Library meetings through the year.

There has been a large increase in the circulation of books this year for which we are very glad as we want to serve every home in the town. Thank you for your cooperation.

MAYE B. SAUNDERS,
Librarian.

THE REPORT OF THE FITZWILLIAM DISTRICT NURSING ASSOCIATION

From January 31st, 1937 to January 31st, 1938

Total visits to homes, 1,348. These visits are divided into the following items: Obstetric cases, 24; Antepartum, 23; Postpartum, 44; New Born, 44; Non-communicable, 233; Communicable, 23; Infant, 65; Preschool, 142; School Children, 190; Adult 222; Schools, 158; Social Service, 180.

The annual physical examination of the school children, given by Dr. Emerson and the District Nurse has been completed. The school census is 104; 3 children were absent at the time of examination. The following defects were recorded: Enlarged tonsils and adenoids, 8; defective vision, 6, corrected by glasses, 4; anaemia, 2; poor posture, 4; 10% underweight, 19; corrected, 9; cardiac disease, 1; asthma 3; enlarged glands, 2. All have been vaccinated. Children excluded from school—whooping cough, 13; Scarlet Fever, 1; Scabies, 6; Measles, 1.

The Dental examination was conducted by Dr. Gordon A. Conboy of Keene, N. H., and the District Nurse. 97 children were present. Of this number, 77 were found to have dental caries, and needing cleaning; 16 needed extractions. 57 children were transported to Keene, to the offices of Dr. Conboy and Dr. R. H. Barnard, and had all dental work completed. 7 children have had their dental work completed elsewhere. and 3 had perfect teeth. Children of the first three grades had their work done gratis, made possible by the fund given by the Town Fair Association; the remaining grades, each child paid for his or her own work at clinic prices.

Two Tonsil and Adenoid Clinics were held at the Elliot Community Hospital in Keene, N. H., during the summer months.

Mr. Samuel Simonds, better known to the school children as "Uncle Sam," has provided the children from time to time, with nuts, candies, fruit, playground equipment, and articles of clothing. Some adults have also been remembered through the generosity of this same gentleman.

Miss Butland, as in former years, has continued to supply articles for layettes, for the Nursing Association.

Many articles of clothing have been given the Association and have been distributed either by the Nurse or by the president, Mrs. Helen Stone.

Milk and Cod Liver Oil has been supplied to the schools.

A class in First Aid has been conducted in the Junior High School by the District Nurse. About 30 hours was given to this work, which included practical demonstrations. Mr. James Hind assisted at the class conducted on Artificial Respiration, so that each member would be familiar with that particular phase of First Aid.

It is through the continued interest and cooperation of the townspeople, summer residents and friends of the Nursing Association that this work has been accomplished. It is because of this cooperation that we are able to watch and guide the babies, the preschool and school children who are to be our future citizens, as well as caring for the sick. Especially I wish to thank the members of the School Board, Mr. Johnson, Supt. of Schools, Dr. Emerson, and the members of the Nursing Association who have given freely of their time that this work has been made possible. It is indeed a privilege to work with and serve this community.

Respectfully submitted,
MARGUERITE E. DAVIS, R. N.
District Nurse.

CHANGES IN TEACHING STAFF

During the present year, there has been one change in our teaching staff. Miss Pelletier having resigned, Mr. Laurence W. Perkins, a graduate of Keene Normal, was elected to her position.

Mr. Perkins is proving himself an efficient instructor and an able disciplinarian.

In September, Mrs. Rodman Schaff was added to our teaching staff, as instructor of Art; giving one lesson in all schools once in two weeks. Mrs. Schaff's course has aroused much interest by the pupils and created an enthusiasm for the work among the teachers. For further details of the progress and plans of the work, consult Mrs. Schaff's report.

For details of the progress of music, consult Mrs. Whitcomb's report.

For report on Health Activities in the schools, consult the report of Marguerite E. Davis, R. N.

REPORT OF THE SUPERVISOR OF MUSIC

To the Superintendent of Schools:

In the report a year ago, the Supervisor of Music outlined the program of work assigned to the several schools. There has been little change in this assignment, although the interval between the Supervisor's visits to the schools has been twice as long as formerly.

The N. B. C. Music Appreciation Hour broadcasts conducted by Dr. Walter Damrosch are a source of continuous pleasure and education.

As this report goes to press, classes are being formed for instrumental instruction under the efficient teaching of Mr. Fredyum Henrickson of Keene. It is surely a progessive step when pupils have such an opportunity without any having to leave town and most of them not having to leave the school building.

The writer believes that the pupils are constantly gaining a greater love for good music and confidence in themselves as they progress in the theoretical phase of the subject. The Supervisor is most grateful for the cooperation of teachers and the support of Superintendent and School Board.

Respectfully submitted,
MILDRED WHITCOMB.

REPORT OF THE SUPERVISOR OF ART

To the Superintendent of Schools:

The opportunity to teach Art to the pupils of the Fitzwilliam schools has given me much pleasure this year.

Pioneer work in any subject has vast interest for a teacher.

In planning a schedule that would reach all ages, my first aim has been to instigate in the minds of the children the idea of beauty in the world. Available to all as an absorbing interest.

My methods therefore have been to first stimulate as a standard this love of beauty, and then to inspire the children to see that nature, too, offers to each individual great pleasure in interpreting with the medium of pencil and colors what lies before them and what perhaps they may have been unaware of. I have tried to make each child realize that what he is trying to express is of importance. This has given self confidence and strengthened perceptions.

Instruction in form, light and shade, composition, design and memory sketches have increased their powers of originality and observation. I have seen such interest and concentration shown and such amazing improvement made that I feel strongly Art should somehow, in some form, be made to continue in the curriculum of the Fitzwilliam schools as a helpful, developing subject. Useful for the happiness and interests of our young people.

I wish to extend my grateful thanks to the Superintendent, the School Board and the teachers for their helpful attitude in cooperating with me in this new subject of Art in the Fitzwilliam Schools.

Respectfully submitted,
ELISE C. SCHAFF.
